Dear Martine Coun:

Thank you for serving as a reviewer for the 80th Annual Meeting of the Academy of Management, scheduled to take place August 7-11, 2020 in Vancouver, BC, Canada. We sincerely appreciate your hard work and willingness to support the OB Division. One thousand, six hundred and thirty-one (1,631) of our members volunteered to review submissions this year and helped us craft another outstanding scholarly program.

Vancouver seems to be a popular destination among our members. We had more paper (1,103) and symposia (246) submissions to the 2020 program than in any of the last six years. Our members conducted nearly 4,200 reviews. This means we collectively processed in a matter of weeks what is comparable to the annual submission load of AMJ! Thank you.

Regarding the annual conference, AOM's Board of Governors is continuing to evaluate options and alternatives for August. For the most current updates regarding the Coronavirus (COVID-19) and its impact on AOM 2020, click here, <https://news.aom.org/2020/04/08/covid-19-information/>.
