

# The Role and Processes of Analysis in Educational Design

*October 15, Ghent*

**Susan McKenney**

Open University & Twente University

UNIVERSITY OF TWENTE.

# Today's session

- What is analysis?
- Why bother?
- How do we do it?
- Let's practice
- Noticing your own experiences

# Next steps: Putting ideas to use

- Try to use the ideas discussed today, e.g. as you:
  - Plan your analysis phase
  - Get feedback on your plan; give feedback to another team
  - Revise the plan
  - Conduct the analysis
  - Reflect on the findings
  - Summarize your conclusions
