Agenda today

1. Welcome

2. Value creation workshop in mixed clouds (60min)

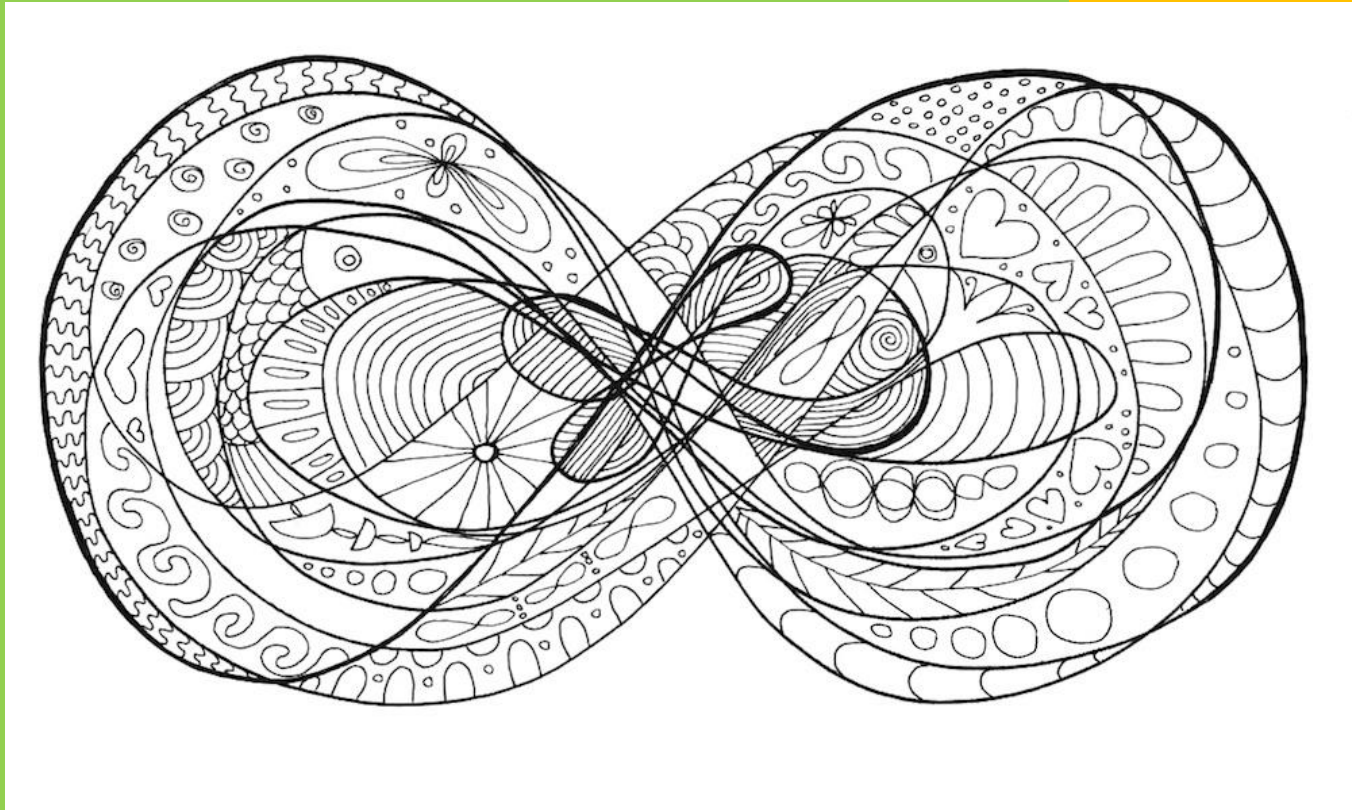

3. Wrapping up and take-aways (10min)

4. Closing and a glimpse into the future

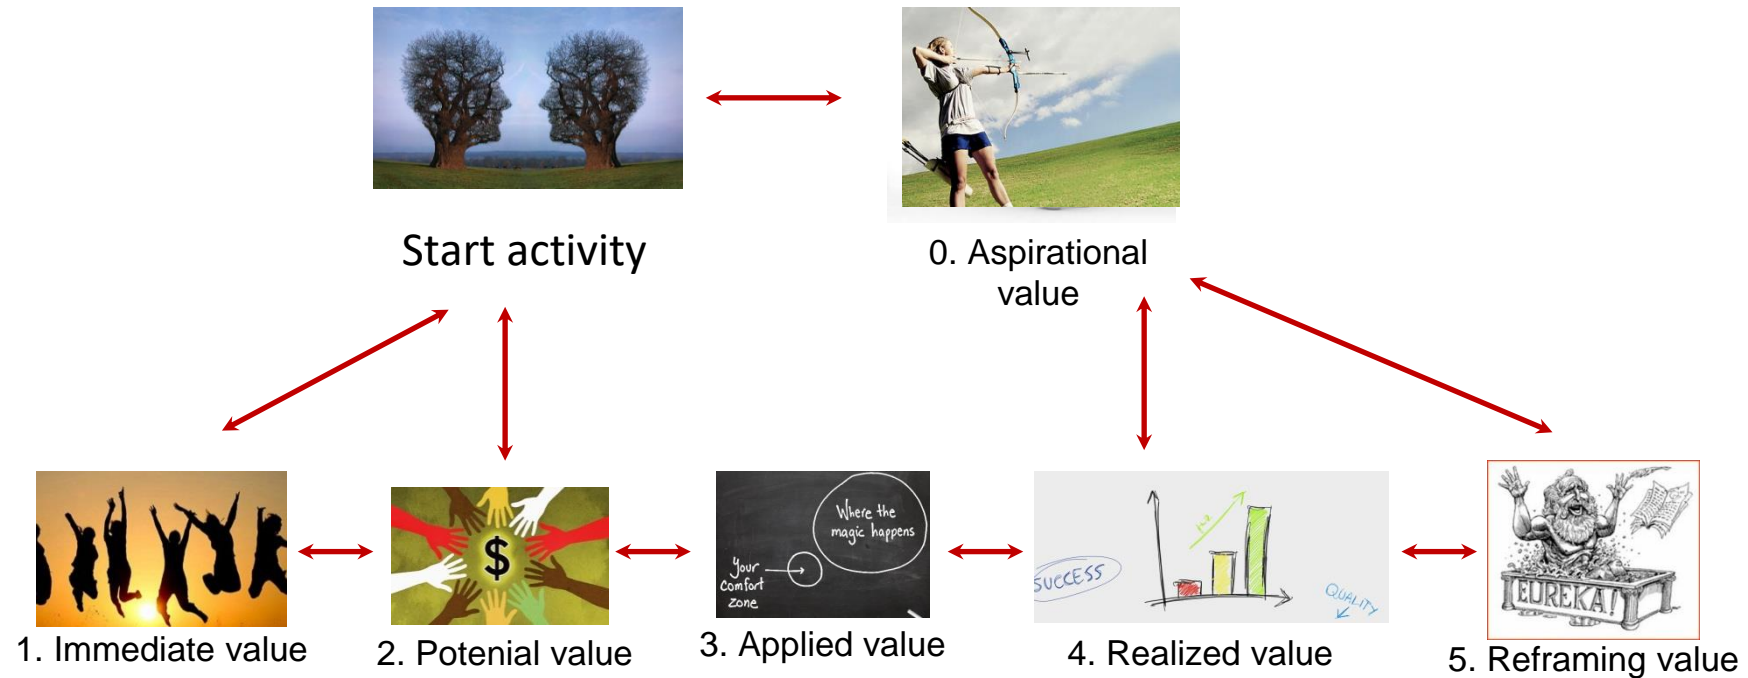

Value Creation Workshop: Aims

- Take networking one step further and build on Femke's workshop
- Getting to know the Value Creation Framework for facilitating networks
- Provide insight in the value creation of the different clouds

Value Creation Interview: Introduction

Wenger, E., Trayner, M., and De Laat, M. (2011). *Promoting and assessing value creation in communities and networks: A conceptual framework*. Heerlen: Open Universiteit.

Value Creation Workshop: Procedure

- Form small groups with 3-4 participants
- Make sure that all groups include participants from min. 3 different clouds
- Engage in a conversation, using the guideline
- Write down good ideas that can support you in your role as a cloud coordinator
- Make sure all clouds are covered within the timeframe of the workshop

Wrapping up and take-aways

- What good idea will you bring to your own work as a cloud coordinator?
- Write a one-liner on a sticky note!
- Read your one-liner out loud to the others and put the sticky note on a shared sheet!
