

PhD Candidate. Borjana Bogatinoska, MSc  
Department of Environmental Sciences  
RS-Research Line Resilience (part of LIRS program)

## Research interests

Focused on doing research in the area of climate change adaptation, hydrodynamic modelling and other topics regarding environmental sciences.

## Qualifications

Master, SS Cyril and Methodius University  
1 Nov 2016 → 11 Mar 2019

Bachelor, SS Cyril and Methodius University  
1 Sep 2013 → 10 Oct 2016

## Employment

### PhD Candidate, Department of Environmental Sciences

Open Universiteit  
1 Jan 2020 → present

### PhD Candidate, RS-Research Line Resilience (part of LIRS program)

RS-Research Organisation Open Universiteit  
17 Jun 2019 → present

### Junior Civil Engineer

Eptisa  
Macedonia, The Former Yugoslav Republic of  
15 May 2017 → 15 Aug 2017

### University Associate

SS Cyril and Methodius University  
Macedonia, The Former Yugoslav Republic of  
1 Aug 2015 → 1 Sep 2017

## Projects

### Co-Adapt: Co-Adapt: Climate Adaptation Through Co-creation

Lansu, A., Bogatinoska, B., Floor, J., Dekker, S. & van Wijnen, J.  
1/02/19 → 30/09/22

### PhD project Borjana Bogatinoska

Bogatinoska, B., Lansu, A., Dekker, S., Huitema, D. & Floor, J.  
17/06/19 → 17/06/23
